

October 1, 2019

Dear Artists,

Featherstone Center for the Arts' 17th Annual Holiday Gift Show will open on November 15 with a Preview Party and run through December 15.

The Holiday Gift Show is an annual fundraising event for Featherstone. Please note that the sales commission for the Holiday Gift Show is 50%. We thank you for your generosity and for your participation!

Featherstone will provide half of an eight foot table for each vendor. We do not charge any fee for participating, but we do ask you to register as we are limited in how many spaces we can offer. Attached please find a registration form. Please fill it out completely and return it to Featherstone no later than November 1. Spaces will be assigned in the order the applications are received.

You do not need to be present during the sale days (unless you want to shop). We will sell for you and keep a record of all sales. Merchandise must remain for the entirety of the show.

We will have a section for small hangable art. The term is ambiguous we know, but when selecting art work to sell, please keep in mind that these are gifts people are buying for friends and family. Art items must be dropped off on Monday, November 11 so that we can hang the art before the tables are in place. **ALL ART MUST BE WIRED FOR HANGING.** It is always difficult and often impossible to hang art work that is not wired. The small sawtoothed brackets and frames with keyhole hanging options will not work with our system. If you are not sure if your hanging method will work, please err on the side of caution!

If you are also registering for table space, please know we will make every effort to hang your art near your table but we cannot guarantee that.

With the exception of the hangable art, we ask that prices for gift items not exceed \$250.

We look forward to hosting you with us for this annual event!
